EXPECTED FACILITY
LICENSEE
REPORTS/ITEMS;
GOLDEN CIRCLE
(E.5.a.)

R. Scott Beeler, Representative of Golden Circle, reported:

- The annexation of the historical horse racing (HHR) facility was approved by Park City. It then had to go through a legal process where it is submitted to the Sedgwick County Election Commission and the Sedgwick County Register of Deeds, that process is now complete. The fully signed and approved document has been submitted and the HHR facility is officially within Park City. This also triggers a 180-day timeline under statute for the HHR facility to submit a rezoning application.
- There is a whirlwind of activity on the development scene. Staff are meeting weekly with the development team. An in-house construction manager was hired to oversee the actual construction process. A design manager has also been hired for the Gilley's, this is the same person who designed the Gilley's at Treasure Island and all the restaurant and entertainment venues at Treasure Island. Gilley's is going to be a 20,000 sq. ft. facility.

- Yesterday, Mr. Beeler attended a meeting with over 25 representatives from the Park City government. That included the mayor, city manager, all the planning directors, public works, city engineer, local law enforcement, and firefighters. Also in attendance, was the Golden Circle development team; the architects, the construction managers, and the engineers. The purpose of the meeting was to put all the plans up and let the city have an opportunity to provide their input. Based upon the design, city officials indicated that they would like to rezone this as an entertainment district.
- During the meeting, it was asked when construction would begin on the Golden Circle project. Mr. Beeler told Park City officials that a proposed contract had been submitted to the Kansas Racing and Gaming Commission for review. Golden Circle is waiting for approval of the submitted contract and issuance of a facility manager license before beginning construction.
 - Chairman Moses asked if construction would begin once the facility manager license is issued or if Golden Circle considers both issuance of the license and approval of the contract as prerequisites to beginning construction. Mr. Beeler responded that he believes that both are prerequisites. Golden Circle cannot make a development or rezoning application without the facility manager license. Chairman Moses asked if Golden Circle would be able to make those applications once a facility manager license is issued regardless of whether the contract was approved. Mr. Beeler responded that it would be unusual to submit those kinds of applications without a contract in place.
 - Chairman Moses asked if Golden Circle's position that both the license issuance and contract approval are prerequisites to construction had been shared with KRGK staff. Mr. Beeler responded that they have not had that specific discussion, but that both the proposed contract and license application were submitted together so staff know both are pending review. Chairman Moses asked if Mr. Beeler would be present for the rest of the meeting in case further discussion regarding the contract was necessary. Mr. Beeler responded that he would need to leave early. Executive Director Brownlee commented that staff is not ready to recommend the contract to commissioners for approval today. Chairman Moses asked Mr. Beeler in the event the commission approves a license will Golden Circle delay progress on the project until the contract is approved? Mr. Beeler responded that Golden Circle would not delay the projects' progress. Meetings with Park City officials

will continue so that bids can be submitted, and this is all included in the 14-month projected completion date. A concern would be that in the future, we are not on the same page with the contract and the project's progress may hit an anchor. Chairman Moses stated he was confident that staff are doing what is needed to move the contract along at a proper pace.

- Chairman Moses asked if Wichita GC Charities, Inc. had met, and if so, have there been any additions to the charity board or a discussion about the process to add members. Mr. Beeler confirmed that the charity board has met and that the chair directed the other members to begin collecting nominees for consideration of appointment to the charity board. The board expects to expand to five members at their next meeting. Chairman Moses followed up asking if the charity board meets monthly. Mr. Beeler said that the board does meet monthly and does not currently have their next meeting scheduled.

STAFF REPORTS
(I.1. and I.2.)

Garrett Rogers, Paralegal, reported on the Voluntary Exclusion Program statistics for the month of August 2023.

Executive Director Brownlee reported:

- Commercial gambling revenue in Kansas during the second quarter of 2023 was up 37% compared to last year. This is due primarily to the addition of sports wagering.
- Construction on a new Vegas-style casino in Grand Island, Nebraska is scheduled to start in October.

- Last month, there were questions regarding the City of Wichita's gambling ordinance. Randy Evans, Government Relations Manager, provided an overview of the minutes from Wichita City Council's August meeting and the discussion he had with the city's Department of Law.
 - Commissioner Spalding asked how the city defines games of skill and if for example a skee-ball machine would be considered a violation of the ordinance. Mr. Evans responded that the ordinance specified games of skill that took currency in and paid currency out, so traditional skee-ball machines would not be considered a violation. Commissioner Spalding asked if Mr. Evans could elaborate on the kind of game of skill machines the City of Wichita is interested in. Mr. Evans explained that manufacturers and distributors of the machines claim that they are skill based and lead establishment owners to believe that the machines are legal.
 - Commissioner Turnquist asked for clarification if it was the City of Wichita or Sedgwick County that was establishing this new policy. Mr. Evans confirmed that it was the City of Wichita. Commissioner Turnquist followed up asking if the city had any discussion regarding a pre-approval process. Mr. Evans confirmed that the city did have discussions regarding the possible licensure or approval, tax, and regulation of these games of skill.
 - Commissioner Turnquist asked how the city discussed the relationship between games of skill and games of chance. Mr. Evans responded that the city does not have a definition for what is a game of skill.
 - Commissioner Spalding asked for an example of what the city would consider to be a game of skill and not a game of chance. Mr. Evans responded that city councils' members and the city's Department of Law do not know.
 - Chairman Moses asked if the City of Wichita contacted the Kansas Racing and Gaming Commission for input. Mr. Evan's responded not that he knew of.
 - Chairman Moses explained that the state has an established agency for policing illegal gaming, and he is concerned that one of thousands of cities within Kansas has decided to create a pocket within the state of what they believe illegal gaming is. Chairman Moses noted that general counsel may advise that the city is allowed to take this action, however his larger concern is that the city may not have reached out to the KRGC for assistance with definitions, history, and drafting policy to where they want it to be without potentially creating an inconsistent "playing field" on

gaming between the cities of Kansas.

- Chairman Moses asked who brought this issue before the Wichita city council, what was their reasoning, did they reach out to an agency like the KRGK or why are they going off on a tangent. Mr. Evans responded that KRGK has agents have assisted the City of Wichita, however the city has 800 – 1,000 machines that need to be determined games of skill or chance and KRGK only has one agent who can do this.
- Chairman Moses asked if the City of Wichita decides a game is a game of chance and wants to seize it, but it is one that the KRGK has previously reviewed and it did not meet the state's definition for a game of chance, does this mean the city can go ahead with the seizure on their own. Mr. Evans responded that he believes so. Chairman Moses noted that this could potentially lead to each city having their own definition of what a gaming device is and would be able to seize these machines whether the KRGK believes the machines are illegal or not.
- Chairman Moses asked Mr. Evan's if during discussions with city staff, did they ask for the commission to work with them between now and their October meeting to come up with some consistently defined approach so that there are not possible inconsistencies across the state. Mr. Evan's responded that city staff indicated they were looking for action from the legislature to define games of skill.
- Chairman Moses summarized that City of Wichita passed the ordinance regarding games of chance but took out for further consideration the games of skill. Mr. Evans confirmed that was accurate. Chairman Moses noted that what is left on the table for the City of Wichita is what should be done with the games of skill.
- Chairman Moses stated that he has real concerns, as the chair of a statewide commission that is authorized to enforce illegal gaming issues, that there will be confusion in the future because once a sticker is put on a machine that brands the machine as legal, that will be used in all other jurisdictions, and there will be a problem, especially if it is a game the KRGK believes is illegal. It may be too late, but the commission needs to reach out to the city and try to get this back to a state definition and not individual local definitions. Chairman Moses also expressed concern that local government did not reach out to the commission and work this up with the commission so that there could be consistency with definitions, and that he learned of this proposed ordinance through the news once it had passed as well as that the commission was

unaware until he had asked staff about what was being reported. Chairman Moses also stated that he is bothered that the largest city in Kansas would go off like this, without taking advantage of an agency that is specifically authorized and approved by the state legislature to police illegal gaming.

- Commissioner Turnquist asked if there was a copy of the ordinance. Mr. Evans responded that he has a copy of the ordinance, and the city council meeting was recorded. Commissioner Turnquist followed up asking if the city's ordinance seem logical regarding games of chance, does it reference any existing state statute or regulation. Mr. Evans responded that he does not know. Mr. Evans stated that it appears to him that since the definition of a game of skill is so grey, the city has decided administratively to go after the business's alcohol and tobacco licenses to stop these machines from preying on low-income citizens. Commissioner Turnquist noted that by doing this, the intent of the city may be to urge the legislature to enact a state statute to address the issue. Mr. Evans stated that he believes the city council has seven members and only two were proponents of issuing a city license or sticker for approved machines.
- Chairman Moses stated that he appreciates the fact that the City of Wichita recognizes that there is a problem where the citizens of Wichita are being preyed upon and that the city is focusing on alcohol and tobacco licenses because the city does issue those. Chairman Moses followed up stating he is concerned about the horrible risk of inconsistency from city to city in Kansas. As difficult as illegal gaming cases are to work now, they have now created a situation where manufacturers and distributors of these machines can point to these local decisions on what is and what is not a game of chance and use that against the commission when the commission tries to fulfill its duties.
- Chairman Moses stated that the commission needs to, as the statewide commission responsible for policing illegal gambling, reach out to the City of Wichita to work with them to accomplish their goals while maintaining the consistency that we should have with illegal gaming issues. Executive Director Brownlee responded that staff would follow-up on the concerns shared.
- The next commission is scheduled for October 13, 2023, in Topeka, KS.
 - Commissioner Jones noted that he may have a schedule conflict for that day.
 - Commissioner Turnquist noted that he may have a schedule conflict

for the 12th and the 13th.

POLICY RESOLUTION No. 2023-01

A POLICY RESOLUTION AUTHORIZING SHELF APPROVAL OF DEBT FINANCING FOR KANSAS STAR CASINO, LLC AND BOYD GAMING CORPORATION AND AUTHORIZING THE EXECUTIVE DIRECTOR TO APPROVE FOR THE COMMISSION UNDER K.A.R. 112-101-11 ANY SHELF APPLICATION FOR DEBT THAT SATISFIES SPECIFIED CRITERIA.

WHEREAS, the Kansas Racing and Gaming Commission has duly promulgated K.A.R. 112-101-11 in order to promote the financial stability of lottery gaming facility managers under the Kansas Expanded Lottery Act, K.S.A. 74-8733 *et seq.*; and

WHEREAS, Kansas Star Casino, LLC (“Kansas Star”), the lottery gaming facility manager for the south central Kansas gaming zone which manages the Kansas Star Casino in Mulvane, Kansas on behalf of the State of Kansas, and Boyd Gaming Corporation (“Boyd”), a publicly traded Nevada corporation which is the ultimate parent company of Kansas Star, have requested the Commission to adopt a shelf financing policy based on established industry practices as codified in regulations by multiple other jurisdictions¹ that authorizes the “shelf approval” of long-term debt financing in accordance with the criteria specified below and to empower the Executive Director to approve such qualifying debt financing arrangements on behalf of the Commission; and

WHEREAS, the Executive Director and the Staff of the Commission believe the requested policy and delegation of authority will promote efficiency, economy and expedition in the approval of certain material debt transactions while preserving appropriate oversight of the financial stability of Kansas Star;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION as follows:

1. The Executive Director is authorized to approve on behalf of the Commission, for a period of three (3) years, any material debt transaction by Kansas Star and Boyd upon satisfaction of each of the following criteria:

- (a) Boyd’s securities continued to be listed on the New York Stock Exchange;
- (b) Boyd has stockholder’s equity of \$50 million or more as reported on Boyd’s most recent Form 10-K or 10-Q filed with the Securities and Exchange Commission (“SEC”);
- (c) Boyd is compliant with all material filing requirements of the SEC;
- (d) Any proposed shelf financing transaction that involves the pledging of any assets of Kansas Star Casino shall include notice to creditors substantially as follows:

¹ See, e.g., Iowa Administrative Code, Chapter 5 at § 5.4(20).

**“Statement to Creditors and Investors by Boyd Gaming
Regarding the Pledging of Kansas Star Casino Assets**

Notwithstanding any promise, covenant, or pledge made by, any condition agreed to, or any guaranty, indenture, agreement, contract or other document executed by Boyd Gaming Corporation for the benefit of any creditor or investor to pledge Kansas Star Casino, its assets, or any assets purchased or leased by Boyd Gaming Corporation (or any predecessor entity) for Kansas Star Casino on behalf of the State of Kansas, **Boyd Gaming hereby gives notice to all creditors and investors** that, in the event of bankruptcy or default on any loan or other debt secured in whole or in part by Kansas Star Casino or Kansas Star Casino assets, KRGC does not waive, nor has it waived, any of the State of Kansas’ rights under law or under the lottery gaming facility management contract to secure the games and select a new casino manager,”

- (e) The total amount of indebtedness sought does not exceed \$6.0 billion; and
- (f) Certification under oath of compliance with these requirements by an officer or other authorized representative of Boyd.

2. At least 10 days prior to the proposed financing modification or new financing transaction, Kansas Star and Boyd shall provide written application to the Executive Director, which may be transmitted by electronic means, certifying compliance with the foregoing criteria and summarizing the maximum amount of debt sought, the maximum financing rate sought and the intended use of potential proceeds. The potential use of such proceeds may include, but is not limited to, general corporate purposes, including capital expenditures, working capital and repayment of amounts outstanding under Boyd’s Revolving Credit Facility or other existing debt outstanding, and the issuance of new public debt (or equity) to refinance existing debt or for other purposes including to take advantage of one or more development opportunities that may arise due to favorable market conditions. Kansas Star and Boyd will submit such other documentation in support of its request as may be requested by the Executive Director subsequent to receipt of such written application.

3. Any completed application that complies with these requirements shall be approved or deemed approved by the Commission if the Executive Director affirmatively approves the transaction.

4. Following approval of any such financing transaction, Kansas Star and Boyd shall notify the Executive Director of all debt transactions within ten (10) days of consummation, including subsequent modifications of debt transactions, and provide executed copies of the documents evidencing the transactions as may be required.

5. Commissioners or the Executive Director may rescind a shelf approval prospectively without prior written notice. The rescission shall be in writing and set forth the reasons for the rescission and shall remain in effect until lifted by the Commission upon satisfaction of any such terms and conditions as required by the Commission. In the event a shelf

approval is rescinded without prior notice, Kansas Star and Boyd shall not be deemed to be noncompliant with K.A.R. 112-101-11, and amendments thereto, unless it is established that either applicant procured such shelf approval through intentional fraud or other intentional wrongdoing.

STAFF AGENDA MEMORANDUM

MEETING DATE: October 13, 2023
AGENDA ITEM: Quarterly Reports on (1) staff out-of-state travel, (2) licensing and (3) illegal gambling
PRESENTER: Don Brownlee

To ensure that it is being consistent and efficient, the commission has requested quarterly updates on out-of-state travel, licensing matters, and illegal gambling efforts.

I. OUT-OF-STATE TRAVEL

The quarterly out-of-state travel report includes the employees who traveled and the purpose of the trip and the total expenses incurred for the trip. Because the Commission maintains its background investigation details as highly confidential, the quarterly travel report does not include out-of-state trips for investigative or targeted purposes.

For the third quarter (July through September) of 2023, commission staff out-of-state travel includes:

Purpose of Trip	Traveler	Dates	Destination	Registration	Total
Law Enforcement Chaplain Training Program (LECTP)	Charles Boyce	08/20/2023 – 08/25/2023	Littleton, CO	\$0	\$1,406.64
Reid Technique of Interviewing and Advanced Interrogation Techniques	Derek Hoskinson	08/27/2023 – 08/31/2023	Denver, CO	\$850	\$1,860.65
Reid Technique of Interviewing and Advanced Interrogation Techniques	Sydney Schreffler	08/27/2023 – 08/31/2023	Denver, CO	\$850	\$1,876.86
MOCIC Annual Conference	James Root	08/21/2023 – 08/25/2023	Branson, MO	\$195	\$975.43
MOCIC Annual Conference	Brett Jacobs	08/21/2023 – 08/25/2023	Branson, MO	\$195	\$975.43
MOCIC Annual Conference	Bradley Smith	08/21/2023 – 08/25/2023	Branson, MO	\$195	\$902.87
Social Media & Open Source Investigations Training	Joseph Crough	08/20/2023 – 08/23/2023	Pensacola, FL	\$325	\$1,883.06

II. LICENSING

Objectives of the commission include conducting timely, but thorough, background investigations on all gaming employees, management contractors, manufacturers and distributors seeking licensure at lottery gaming facilities located in this state. Background investigations are conducted to protect the public interest by maintaining a legitimate and viable gaming industry assuring honesty, good character and integrity of racing and gaming facility operators, employees, and vendors. Following is the licensing report for the July through September 2023 quarter. The three previous quarters are included for comparison purposes.

III. ILLEGAL GAMBLING

The Kansas Racing and Gaming Commission (KRGc) provides resources and assistance to local law enforcement, prosecutors, and the public on illegal gambling questions, education, and complaints. The KRGc responds to email and phone complaints and inquiries, conducts continuing legal education seminars for prosecutors, assists local law enforcement agencies with illegal gambling investigations, and conducts civil seizures of illegal gambling devices for forfeiture, all in an effort to curtail illegal gambling in bars, restaurants, convenience stores, and other venues throughout Kansas.

Since 2008, the Commission has received 2,621 total illegal gambling-related questions or complaints from the general public. During the third quarter (Q-3) of 2023, the Commission received twenty-one (21) calls and emails from the general public, down seventeen (17) from the previous quarter and up thirteen (13) from the third quarter of 2022.

Of the twenty-one (21) calls and emails received in Q-3, fourteen (14) involved slot machines; three (3) involved raffles; two (2) involved poker, one (1) involved quarter pushes; and one (1) involved other types of gambling. The other type of gambling involved casino nights.

Breakdown of illegal gambling inquiries and complaints to-date:

The above chart does not reflect calls and activity related to the following:

- Reports made to KRGC agents by other law enforcement officers around the state.
- Discussions with local law enforcement and district and county attorneys regarding the legal aspects of illegal gambling and the services that KRGC can provide.
- Time spent by agents and legal counsel to assist in active local investigations and prosecutions.
- Time spent defending gambling-related actions against the agency.
- Time spent pursuing seizures and forfeitures of illegal gambling devices.
- Inquiries from the public that are answered through access to KRGC's Illegal Gambling Frequently Asked Questions (FAQs) web page.
- In July, KRGC agents assisted in serving five (5) search warrants in Wichita, resulting in the seizure of sixteen (16) illegal gambling machines.
- In September, KRGC agents assisted in serving a search warrant in Merriam, resulting in the seizure of three (3) illegal gambling machines, proceeds, and relevant records.

KRGC updated the Illegal Gambling FAQs portion of the webpage in late January 2014. Since KRGC began tracking the new page, there have been a total of 23,755 unique page views (after adjustments). A total of 133 unique page views were made during the third quarter of 2023, down 665 from the previous quarter (adjusted) and down 414 from the third quarter of 2022 (adjusted). The Illegal Gambling FAQs page can be found here: <http://www.krgc.ks.gov/index.php/racing-gaming-law/illegal-gambling/faq-s-2>. It may also be accessed from the KRGC main page (www.krgc.ks.gov) by selecting Public Info/Illegal Gambling FAQ's from the drop down menu option.
