- Scott Beeler and Jason Watkins, Golden Circle Representatives, reported:
- Progress is being made on the Golden Circle project, but the facility manager is running into some problems. One example is that Park City did not have the appropriate zoning regulation to allow for what the facility manager plans to do at the facility. City officials had to adjust their paperwork so that the facility manager could move forward with permitting. That action was taken in November and the facility manager has since filed for the re-zoning that was necessary.
 - The architectural and engineering teams have had some delays. During review, it was determined the elevator shaft was in the wrong place and would need to be redesigned and rebuilt. This will mean a pushback on the projected opening date. A new timeline has been issued with an early completion date of mid-July and final completion date of September.
 - Chairman Moses asked what year the timeline was referring to. Mr. Beeler clarified that it was September of 2025.
 - Chairman Moses asked if there were any factors causing delay that were not mentioned. Mr. Beeler responded that he believes a comprehensive list of factors would be as long as his leg, but that the principal/main factors have been reported.
 - The Wichita GC Charities have identified and named a new board member, Tony Porter. Tony Porter has a background in corporate communications and real estate, she was a district director for a United States congressman, she worked for the CIA, she worked for the United States Department of State working directly for the Secretary of State, she is currently the Vice President of Government Relations for the Wichita Regional Chamber of

Commerce, and is a long time Wichita resident. The process has begun to officially add Ms. Porter to the Wichita GC Charities board.

- Chairman Moses asked Mr. Beeler if the Wichita GC Charities board anticipates adding a fifth member. Mr. Beeler responded that he believes that is on the horizon. Mr. Watkins commented that the board's goal is to go to five members. With the selection of Ms. Porter, the board has begun a second round of applications with an intentional focus on making sure the board is diversified.
- Subject to commission approval, Golden Circle has hired Courtney Barnaby, former Director of Operations for Treasure Island in Las Vegas, he is targeted to serve as a General Manager.
- The third version of the management agreement contract has been submitted to the commission for review. Both the Wichita GC Charities and Golden Circle have agreed to sign contingent on commission approval.
- Chairman Moses asked Mr. Watkins if he used to work for the Wichita Regional Chamber of Commerce. Mr. Watkins confirmed that he did previously work at the Chamber of Commerce. Chairman Moses asked if Mr. Watkins worked with Tony Porter during that time. Mr. Watkins confirmed that he did work with Ms. Porter and added in full disclosure that the Wichita Regional Chamber of Commerce is a current client of his.

Daily Application

While all departments and team members are actively involved in preventing underage, intoxicated and self-excluded patrons from entering the casino floor and from gambling if they do gain access, the Security Officers stationed at the gated entrances are the primary method of prevention. Security follows the property's policy of checking IDs for people who appear 30 or younger; the statistics for these ID checks during the second half of 2023 are:

- Underage individuals denied gaming floor access: 144
- People denied access for not having ID: 454
- People denied for invalid ID: 343
- Intoxicated individuals denied gaming floor access: 73
- VEPs denied access to the gaming floor: 16

Further, there were 245 intoxicated individuals ejected from the casino, 15 VEPs were removed and turned over to the KRGC and the Mulvane Police Department, and 5 underage persons were caught and ejected from the casino. Also, 101 persons were removed and 22 excluded from the casino for a variety of reasons.

During the second half of 2023, there were 625,255 guests who entered the casino floor. Security team members checked 78,719 IDs. In addition, 33 ID checks took place on the gaming floor in situations involving suspected minors.

Several other ongoing efforts are noteworthy as the Kansas Star Casino is an active member and participant in the Kansas Coalition on Problem Gambling, Problem Gambling Program Committee, and the South-Central Task Force on Problem Gambling.

STAFF AGENDA MEMORANDUM

MEETING DATE: January 12, 2024
AGENDA ITEM: Quarterly Reports on (1) staff out-of-state travel, (2) licensing and (3) illegal gambling
PRESENTER: Don Brownlee

To ensure that it is being consistent and efficient, the commission has requested quarterly updates on out-of-state travel, licensing matters, and illegal gambling efforts.

I. OUT-OF-STATE TRAVEL

The quarterly out-of-state travel report includes the employees who traveled and the purpose of the trip and the total expenses incurred for the trip. Because the Commission maintains its background investigation details as highly confidential, the quarterly travel report does not include out-of-state trips for investigative or targeted purposes.

II. LICENSING

Objectives of the commission include conducting timely, but thorough, background investigations on all gaming employees, management contractors, manufacturers and distributors seeking licensure at lottery gaming facilities located in this state. Background investigations are conducted to protect the public interest by maintaining a legitimate and viable gaming industry assuring honesty, good character and integrity of racing and gaming facility operators, employees, and vendors. Following is the licensing report for the October through December 2023 quarter. The three previous quarters are included for comparison purposes.

III. ILLEGAL GAMBLING

The Kansas Racing and Gaming Commission (KRGc) provides resources and assistance to local law enforcement, prosecutors, and the public on illegal gambling questions, education, and complaints. The KRGc responds to email and phone complaints and inquiries, conducts continuing legal education seminars for prosecutors, assists local law enforcement agencies with illegal gambling investigations, and conducts civil seizures of illegal gambling devices for forfeiture, all in an effort to curtail illegal gambling in bars, restaurants, convenience stores, and other venues throughout Kansas.

Since 2008, the Commission has received 2,606 total illegal gambling-related questions or complaints from the general public. During the fourth quarter (Q-4) of 2023, the Commission received eighteen (18) calls and emails from the general public, down three (3) from the previous quarter and up seventeen (17) from the fourth quarter of 2022.

Of the seventeen (18) calls and emails received in Q-4, eight (8) involved raffles; five (5) involved slot machines; four (4) involved poker; and one involved bingo.

Breakdown of illegal gambling inquiries and complaints to-date:

The above chart does not reflect calls and activity related to the following:

- Reports made to KRGC agents by other law enforcement officers around the state.
- Discussions with local law enforcement and district and county attorneys regarding the legal aspects of illegal gambling and the services that KRGC can provide.
- Time spent by agents and legal counsel to assist in active local investigations and prosecutions.
- Time spent defending gambling-related actions against the agency.
- Time spent pursuing seizures and forfeitures of illegal gambling devices.
- Inquiries from the public that are answered through access to KRGC's Illegal Gambling Frequently Asked Questions (FAQs) web page.

Due to changes Google has made to their webpage data tracking tool, KRGC was unable to obtain unique page view data for the Illegal Gambling FAQs webpage for the fourth quarter of 2023. The Illegal Gambling FAQs page can be found here: <http://www.krgc.ks.gov/index.php/racing-gaming-law/illegal-gambling/faq-s-2> . It may also be accessed from the KRGC main page (www.krgc.ks.gov) by selecting Public Info/Illegal Gambling FAQ's from the drop down menu option.
