- Chairman Moses recalled that in the south-central Kansas media markets the smokeless casino legislation is getting a lot of chatter. The facility just finished a major remodel that depending on how the legislation is written, may need to be redone. Chairman Moses asked General Manager Giardine if they would like to comment on this topic. General Manager Giardine deferred to the facility's CEO and legal counsel; Chris Reedy. Mr. Reedy explained that hundreds of thousands of dollars were spent on the air handling equipment and original design, there are areas of non-smoking, there are all sorts of planning and thought process going out with respect to that matter. Chairman Moses followed up stating that he presumes that means there will be some attempts at educating those that are going to be considering changes about all the things that have already been done regarding that issue. Mr. Reedy confirmed that was accurate. Chairman Moses commented that he was curious because it seems that there is significantly more attention this year than last year. General Manager Giardine commented that if any employee has a request the facility will work with them; there are several positions that do not have to be in the

smoking area. The facility would make a medical accommodation request for the employee and go through that process.

- General Manager Giardine recognized a few individuals for their actions on December 2nd. Beverage Lead Michael Montoya, Director of Security Zam Marvilla, KRGC Agent Michael Robbins, and KRGC Agent Eric Lalicker recognized a patron in need and took swift steps to help that patron. Agent Robbins used a AED machine and started performing CPR compressions on the patron, Director Marvilla switched out with Agent Robbins to continue the CPR until first responders were able to arrive. The patron was transported to Dodge City Hospital and eventually transferred to a hospital in Colorado where the patron was from. Last Friday, the facility was contacted by the patron's daughter thanking all who were involved in saving her father's life. The doctor in Colorado said that if CPR had not been started as quickly as it had, her father would not have survived.

Scott Beeler, Golden Circle Representative, reported:

- Construction is winter-tight. Now working on electrical, plumbing, duct system, and the internal wall systems.
- The project is on budget and on time for a late 2025 opening.
- A lot of the contracts are still in negotiation and will be submitted to staff once there are signatures on them.
- Regarding the Chairman's question on the smokeless casino legislation, the facility licensee is in a different situation for a number of legal reasons, but they believe there is some ambiguity in the law. The facility is designed in terms of its construction to have the proper handling systems in the event that the facility is deemed to fit within one of the exceptions under the Clean Air Act. Mr. Beeler explained that at the time the Clean Air Act was enacted there was no such thing as a Historical Horse Racing facility, but believes that the spirit of the act in terms of granting exceptions was for gaming facilities.

Daily Application

While all departments and team members are actively involved in preventing underage, intoxicated and self-excluded patrons from entering the casino floor and from gambling if they do gain access, the Security Officers stationed at the gated entrances are the primary method of prevention. Security follows the property's policy of checking IDs for people who appear 30 or younger; the statistics for these ID checks during the second half of 2024 are:

- Underage individuals denied gaming floor access: 184
- People denied access for not having ID: 489
- People denied for invalid ID: 330
- Intoxicated individuals denied gaming floor access: 127

Further, there were 260 intoxicated individuals ejected from the casino, 11 VEPs were removed and turned over to the KRGC and the Mulvane Police Department, and 1 underage person were caught and ejected from the casino. Also, 135 persons were removed and 23 excluded from the casino for a variety of reasons.

During the second half of 2024, there were 609,391 guests who entered the casino floor. Security team members checked 91,492 IDs. In addition, 106 ID checks took place on the gaming floor in situations involving suspected minors.

Several other ongoing efforts are noteworthy as the Kansas Star Casino is an active member and participant in the Kansas Coalition on Problem Gambling, Problem Gambling Program Committee, and the South-Central Task Force on Problem Gambling.

STAFF AGENDA MEMORANDUM

MEETING DATE: January 17, 2025

AGENDA ITEM: Quarterly Reports on (1) staff out-of-state travel, (2) licensing and (3) illegal gambling

PRESENTER: Don Brownlee

To ensure that it is being consistent and efficient, the commission has requested quarterly updates on out-of-state travel, licensing matters, and illegal gambling efforts.

I. OUT-OF-STATE TRAVEL

The quarterly out-of-state travel report includes the employees who traveled and the purpose of the trip and the total expenses incurred for the trip. Because the Commission maintains its background investigation details as highly confidential, the quarterly travel report does not include out-of-state trips for investigative or targeted purposes.

For the fourth quarter (October through December) of 2024, commission staff out-of-state travel includes:

LICENSING

Objectives of the commission include conducting timely, but thorough, background investigations on all gaming employees, management contractors, manufacturers and distributors seeking licensure at lottery gaming facilities located in this state. Background investigations are conducted to protect the public interest by maintaining a legitimate and viable gaming industry assuring honesty, good character and integrity of racing and gaming facility operators, employees, and vendors. Following is the licensing report for the October through December 2024 quarter. The three previous quarters are included for comparison purposes.

II. ILLEGAL GAMBLING

The Kansas Racing and Gaming Commission (KRGC) provides resources and assistance to local law enforcement, prosecutors, and the public on illegal gambling questions, education, and complaints. The KRGC responds to email and phone complaints and inquiries, conducts continuing legal education seminars for prosecutors, assists local law enforcement agencies with illegal gambling investigations, and conducts civil seizures of illegal gambling devices for forfeiture, all in an effort to curtail illegal gambling in bars, restaurants, convenience stores, and other venues throughout Kansas.

Since 2008, the Commission has received 2,694 total illegal gambling-related questions or complaints from the general public. During the fourth quarter (Q-4) of 2024, the Commission received twenty (20) calls and emails from the general public, down two (2) from the previous quarter and up four (4) from the fourth quarter of 2023.

Of the twenty (20) calls and emails received in Q-4, eighteen(18) involved slot machines; one (1) involved raffles; and one (1) involved other types of gambling. The one (1) other call received, involved sports wagering.

Breakdown of illegal gambling inquiries and complaints to-date:

The above chart does not reflect calls and activity related to the following:

- Reports made to KRGC agents by other law enforcement officers around the state.
- Discussions with local law enforcement and district and county attorneys regarding the legal aspects of illegal gambling and the services that KRGC can provide.
- Time spent by agents and legal counsel to assist in active local investigations and prosecutions.
- Time spent defending gambling-related actions against the agency.
- Time spent pursuing seizures and forfeitures of illegal gambling devices.
- Inquiries from the public that are answered through access to KRGC's Illegal Gambling Frequently Asked Questions (FAQs) web page.

KRGC updated the Illegal Gambling FAQs portion of the webpage in late January 2014. Since KRGC began tracking the new page, there have been a total of 26,958 unique page views (after adjustments). A total of 788 unique page views were made during the fourth quarter of 2024, up 120 from the previous quarter (adjusted). The Illegal Gambling FAQs page can be found here: <http://www.krgc.ks.gov/index.php/racing-gaming-law/illegal-gambling/faq-s-2> . It may also be accessed from the KRGC main page (www.krgc.ks.gov) by selecting Public Info/Illegal Gambling FAQ's from the drop down menu option.
